Paintless Dent Removal

Door Dings (size)	<u>STARTING AT</u>
1 inch	\$150
2 inches	\$200
3 inches	\$250
4 inches and larger	by set

The above prices are based on an average door ding or dent. Average means the dent is in the middle of a panel with no stretched metal, no crease, and the dent is not located on the edge of the panel, or located on a body line. Prices may vary due to location and difficulty of access to the area. The prices are for side panels only and to be used a guide only.

Paint Touch-Ups
